## White-Westinghouse®

Always Carefree. Always Clean.

### Fabric Care - Electric Dryer

MED10ZEMW controls with English and Arabic

MED10ZEMW controls with English only

The White-Westinghouse AdvanceTech Series High Efficiency Electric Dryers are engineered for maximum drying performance and advanced fabric care.

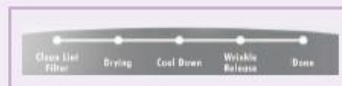

#### Extra Large Capacity

Don't waste time drying several small loads of laundry. The extra large 10.1 kg capacity dryer can dry a full load from its matching washer.

#### Balanced Dry System

Large amounts of air are forced through the back of the dryer drum. This unique system of air flow results in safe, efficient drying.

#### Drying Progress Indicators

Easily monitor the progress of the load as the dryer moves through the various drying phases.
