### French Door Design

Combine the extra large capacity of a side by side with more features than a top freezer!

With a spacious interior and flexible storage options, the White-Westinghouse French Door refrigerator will meet all of your food storage needs.

### EasyClean Stainless Steel Doors with Grey Cabinet

The easy to clean real stainless steel doors have a protective coating that resists fingerprints and smudges.

### A+ Euro Energy Rating

Don't waste money on electric bills. This unit is rated A+ which means it is 24% MORE energy efficient than an A rated unit.

### Vacation / Energy Saver Mode

If this refrigerator door is not opened for 24 hours AND the refrigerator system is set to the 12-hour defrost cycle, then the system automatically goes to a 96-hour compressor run time defrost cycle to conserve electricity.

### AdvanceTech Electronic Controls

The integrated controls are conveniently located on the inside edge of the left door. Options are easily selected and adjusted with a touch of a button.

### AdvanceTemp Electronic Temperature Controls

Monitor and adjust both refrigerator and freezer temperatures. Temperature can be displayed in either Fahrenheit or Celsius.

### Power On/Off

The light indicates if the power is on to the refrigerator. Press and hold for 3 seconds to turn off the cooling system to clean the refrigerator. The temperature display will read off.

### Rapid Freeze

Lock in flavor and nutrients when you freeze your food quickly.

### Automatic Alerts for Power Failure, High Temperature and Door Ajar

#### Power Failure

The alert sounds when the power is disrupted from the refrigerator.

#### High Temperature Alarm

The alert sounds if the temperature in the fresh food section rises above 45F / 7C for at least one hour or if the temperature in the frozen food section rises above 6F / -14C for at least one hour.

#### Door Ajar

When the door is left open for five minutes, the door ajar alert will sound.

**AdvanceFlex Storage provides the ultimate in storage flexibility and convenient options.**

#### 4 AdvanceFlex Adjustable Half-Width SpillProof Glass Shelves

Align two half-width shelves to store large platters or party trays or adjust the shelves to different heights to accommodate a variety of food items. With SpillProof glass shelves, spills are easy to contain and clean-up.

#### AdvanceFlex Full-Width Storage Drawer

Store large platters or a variety of small snacks in the full-width extra large storage drawer.

#### 2 AdvanceFlex Freezer Storage Baskets

The upper basket slides out with the door allowing easy access to your most used freezer items. Larger items fit perfectly in the extra deep lower basket with bottom liner.

#### AdvancePure Air Filter

Eliminate odors from your refrigerator and freezer by trapping, neutralizing and removing odor causing molecules with the AdvancePure Air Filter. A specialized mixture of baking soda, active carbon and zeolites (a microporous, aluminosilicate mineral commonly used in commercial adsorbents) works to keep your refrigerator free of unpleasant odors. The filter cartridge needs to be replaced approximately every 6 months.

#### 2 AdvanceFresh Humidity Controlled Crispers

Keep your fruits and vegetables market fresh longer in the AdvanceFresh Humidity controlled crispers. Vegetables love high humidity while fruits prefer lower humidity.

#### Tall Door Design

The extra tall doors are designed to hide the door hinges.
